

**PLEASE BE ADVISED THAT STARTING 1 JULY 2013
WILL CHANGE THE FREQUENCY OF DRY WASTE COLLECTION
ZONE 1**

Dear User,

With the activation of “door to door” dry waste collection service, the Community of Roveredo in Piano has achieved most of set goals: increased percentage of overall recycling (exceeded 65% threshold set by national legislation), and reduced production of dry waste residue resulting in containing disposal costs that they are on a steady rise. The percentage of recycled materials increased from 53% to 82% in just 3 years and the production of dry waste residue decreased from 268 kg to 69 kg per capita per year. Reduced production of dry waste and quantity collected on weekly basis, resulted in the decision to rationalize collection services.

The Municipal territory will be divided in two separate zones (Zone 1 and 2) and the frequency of dry waste collection that **was previously done once a week, will be performed every two weeks.**

THEREFORE, in ZONE 1 the dry waste collection will performed every two weeks effective Friday 5 July.

Please read the refuse calendar below.

Please be advised that current disposal procedures remain unchanged.

For any clarification and assistance please contact Giovanna Coppola, 31 CES/CEA, Community Recycling Liaison, at 0434 30 2511 (632-2511)/335 832 0912 or email to giovanna.coppola@us.af.mil.

Best Regards

Mayor of Roveredo Community
